

Fuel Transfer Pump (Vane Type)

Fuel Transfer Pump with flame proof motor

Price: 75,000/= + 8% VAT

Fuel Transfer pump with standard motor

Price: 55,000/= + 8% VAT

PUMP DETAILS:

Pump Type	: DYB 80
Motor	: 750 W, 50 Hz, 1 Ph, 400 V
Inlet x Outlet	: 1" x 1"
Head	: 10 – 15 m
Flow Rate	: 20 – 90 L/min
Suction Head	: 5 m

Details:

- **For Fueling Diesel**, Kerosene.
- Self-Priming Pump.
- Induction motor with aluminum casing.
- Grade of Protection IP54.
- Vane pump with steel rotor.
- Bypass valve built in.
- Mechanical Seal guarantees constant reliability. Even in low temperature.
